Subject: draft of assembly joint resolution

Rep. Toles would like to introduce an Assembly Joint Resolution honoring MATC for its 100th anniversary. The text she has approved is attached.

She was also hoping that the last paragraph could say, "therefore, be it Resolved by Representative Barbara L Toles with the assembly, the senate concurring, That the legislature comments Milwaukee Area Technical College for providing one hundred years of innovative education to Wisconsin's students" rather than the usual "be it resolved by the assembly, the senate concurring"

Please call me and let me know if that is doable.

Thanks so much!
